

California Mathematics Council Community Colleges-South

CMC³-South 35th Spring Conference Virtual and Free!

Saturday, March 6, 2021

9am – 2pm

To register, visit cmc3s.org/Register

Keynote Speaker

Dr. Ivona Grzegorzczuk

Cal State Channel Islands

Magic Tricks and Activities Supporting Active Learning in Mathematics

Abstract: We will involve you in interactive tricks promoting activities learning, experimentation and algebraic modeling. The activities are designed for introductory algebra courses to generate engagement, complexity and advanced mathematical thinking.

For this conference, you'll need the latest version of Zoom:

zoom.us/support/download

The conference program will be announced on Feb 8th.

For more information, visit cmc3s.org/conference

CMC³-South is dedicated to the professional growth of community college math educators in Southern California.
